WHAT IS IEEE COMPUTER SOCIETY?

A brief introduction to IEEE Computer Society

The IEEE Computer Society is the world's leading membership organization dedicated to computer science and technology. Serving more than 60,000 members, the IEEE Computer Society is the trusted information, networking, and career-development source for a global community of technology leaders that includes researchers, educators, software engineers, IT professionals, employers, and students.

The IEEE Computer Society sponsors more than 200 technical conferences and events each year, including the industry-oriented "Rock Stars" series, all over the world, aimed at research and industry professionals. Our publications are peer-reviewed, indexed, and authored by technology thought leaders worldwide, and include 17 scholarly journals and 13 magazines featuring the latest technology trends.

We also offer cutting-edge products such as the myComputer app that provide unprecedented user-driven access to our content, and our Digital Library with more than 550,000 articles and papers.

A BRIEF INTRO TO THE IEEE HYDERABAD SECTION

The IEEE Hyderabad Section is one of the most active sections of IEEE in India. IEEE was formally introduced in Hyderabad, in June 1981, when a group of engineers in Hyderabad decided to form an IEEE sub-section here. This sub-section was rapidly elevated to a full section, in 1984 (the year of IEEE Centenary celebrations).

All IEEE members residing in the states of Telangana, India and Andhra Pradesh, India are automatically members of the IEEE Hyderabad Section.

The section consists of many chapters including CAS/EDS, CIS/GRSS, Computer Society, ComSoc/SP, Education Society, MTT/AP/EMC, PES/IAS/PELS, Photonics Society, TEMS in addition to affinity groups like WIE and YP.

IEEE Hyderabad Section has over 6000 members in both Telangana and Andhra Pradesh. IEEE Computer Society has conducted 28 events this year in both Telangana and Andhra Pradesh
